

To Whom It May Concern

Subject: **Exclusive Commercial Representation for Easy Pipe & Kasra Products**

Ref. No.: ID1082

We hereby certify that the company:

Amir for Development and Business

Commercial Registration No.: **1596043**

Headquartered in the Sultanate of Oman

is an **official commercial and after-sales representative** of the **Easy Pipe Industrial Group (Iran)**, including the full product range of:

- **Easy Pipe:** multilayer pipes, brass fittings, manifolds
- **Kasra Sanitary Faucets:** sanitary faucets, flush tanks, concealed cisterns, shower systems

What distinguishes this cooperation is that **Mr. AmirMahdi Mohammadi**, the founder and director of Amir for Development and Business, is also a **second-generation member and strategic partner** of the Easy Pipe Group and Kasra brand in Iran.

His deep involvement in the history, design, and development of these products ensures that representation in Oman and abroad is not merely distributive — but rooted in the **core of the brand itself**.

Amir for Development and Business is officially authorized to:

- Promote, sell, and distribute all Easy Pipe and Kasra products
- Provide technical consultation and pre-sale engineering support
- Offer full after-sales services in accordance with our 10-year warranty policy
- Represent our interests in all commercial negotiations in Oman and other global markets

We fully endorse this cooperation and confirm that Mr. Mohammadi's team is aligned with our internal engineering, commercial, and quality control departments.

For further confirmation or reference, please contact our head office.

Sincerely,

Mehdi Najari
